

Presenting the
Elko County STEM Fair Poster Contest!

Help us advertise for our STEM Fair
by making a creative and inviting poster!

All poster entries are due by January 17, 2019.

Please give all poster entries to Ms. Meyers or Mrs. Izatt.

Judging will be based on the following criteria:

- A. Posters must be completed on white poster board or construction paper. Poster size must not exceed 14" x 22".
- B. Posters must have "Elko County STEM Fair 2019" incorporated into the design.
- C. Make your poster as creative as possible.
- D. Each student must place the following information on the back of their poster:
 1. Student's name
 2. Name of school
 3. Grade level
 4. Student's home phone number

Tips for success:

- Be as creative as you can!
- Make sure you meet all of the criteria listed above.
- Keep it STEM-oriented and check your spelling.
- Posters with spelling errors will be automatically eliminated.
- No 3-D models will be accepted.
- Make sure that you aren't copying any designs from other resource materials. i.e.; science books, magazines, or previously finished posters.
